

BAKERY CAFE

A classic industrial warehouse provides Brasserie Bread a unique setting for its authentic Bakery Cafe. A glass viewing gallery ensures everybody enjoys the theatre of the bakers crafting handmade breads and pastries. The windows are placed at just the right height for small children to stand on the Café's banquette seating and watch the bakers at work. Kids of all ages can entertain themselves while mum & dad enjoy a great cup of Allpress coffee and maybe treat themselves to one of Brasserie Bread's signature dishes.
