3 GREAT PLACES FOR BREAKFAST

BRASSERIE BREAD BAKERY CAFE

Brasserie Bread's artisan bakery is augmented by its popular cafe serving fine Allpress coffee. Sourdough pancakes with stewed berries and honeycomb cream, and a simple soft-boiled biodynamic egg with Vegemite soldiers are among the breakfast offerings.

1737 BOTANY ROAD, BANKSMEADOW, 1300 966 845; WWW.BRASSERIEBREAD.COM.AU.

CAFE GIULIA

You've got to envy those with Cafe Giulia as their local - the blackboard menu in this former butcher's shop features dishes for all appetites, from Belgian waffles and corn fritters to hearty omelets (spinach, feta and onion; chorizo and parmesan) and breakfast muffins (grilled haloumi, tomato and egg).

92 ABERCROMBIE STREET, CHIPPENDALE, (02) 9698 4424; WWW.CAFEGIULIA.COM.AU.

PILU KIOSK

Active types think Freshwater Beach is all about catching waves, but we know better. The real drawcard is this cute kiosk, and specifically its matonella toastie - thick slices of puff pastry sandwiching provola cheese and ham. Egg, pancetta and roasted tomato panini and a sparkling ocean view are able support acts.

MOORE ROAD, FRESHWATER, (02) 9938 3331; WWW.PILUATFRESHWATER.COM.AU.
